

REGISTRATION APPLICATION

REGISTRY RULES:

RULE 2, SECTION 2 Initial Registration

Moriesian Horse Registration Certificates will be issued to owners or lessees who submit correctly completed and signed MHR forms and pay the appropriate fees. In addition:

- A. All applications must be accurately and correctly completed and will include a Certificate of Service signed and notarized by the recorded owner (or lessee) of the stallion at time of service.
Exceptions to notarization: Notarization may be waived if the stallion is listed with the MHR as a Breeding Stallion or if there is a Stallion Report covering the year in which the horse was conceived on file with the Registry.
- B. A completed transfer application is required if the foal is to be recorded in a name other than the owner of the dam at time of foaling.
- C. A copy of the dam and sire's papers must be submitted to the Registry with the application.
- D. Payment for DNA typing for breeding stock (mares and stallions) and all second and subsequent generation Moriesians must be included.
- E. A photo taken from the side to show full body conformation.
- F. Every applicant may be required to provide additional information to correctly document a registration.
- G. A one-time membership fee is included with the first horse registered.
